Study Abroad for Psychology majors and minors

Experience Psychology Abroad!

“If you are considering studying abroad to fine-tune your language skills consider taking classes at a partner university if it is an option.”
Janise Carmichael, Argentina, Spring ‘12

What are my first steps?

- Attend an information session
- Research programs
- Meet with the PSY undergraduate adviser
- Meet with a study abroad adviser in Dewey

Why Study Abroad?

**Open your eyes to the world.** Invest in your future by developing cross-cultural skills that will enable you to communicate with colleagues anywhere in the world.

**Enhance your career.** Learn how to function in a culturally diverse environment early on. Develop broader skills, and ability to adapt to new environments.

**Personal growth.** See your culture and yourself from a different perspective. Learn to appreciate other languages and cultures, while better understanding your own cultural values.

Did you know?

You do not need to speak another language to study abroad. Many programs offer courses in English.
Some recommended programs for PSY majors:

**Sweden**
Uppsala University  
www.uu.se/en/

**Spain**
IES Barcelona  
http://www.iesabroad.org/study-abroad/barcelona

**Austria**
IES Vienna
